Superfast South Yorkshire Connection and Innovation Vouchers Scheme provide eligible SMEs with funding to improve their broadband connections and/or introduce digital innovations into the business.

SFSY supported Feast Point in introducing the Xero accounting software into our business. The success has been in the increased speed of our business processes leading to more efficient data management.

Feast Point Limited has received funding from The Sheffield City Region European Regional Development fund (ERDF), part of the European Structural Investment Fund (ESIF) portfolio 2015 to 2020.
